An established 1960s house with a broad garden, garage & driveway which respectfully needs some modernisation. A quiet, near central village position just south of the City, 1 mile from Arm & just 2 miles from Addenbrooke's.

This detached house was built in 1965 and is a short stroll from the High Street. The property would benefit from sympathetic updating, though in general has been extremely well cared for and maintained, offering exciting scope to extend, subject to the necessary consents.

The living room has a bay-window and a gas fireplace (currently capped off). Adjoining the living area is a dining room with a sliding door to a double-glazed conservatory offering views over the rear garden. The kitchen has been fitted with a matching range of base and eye-level units, includes a freestanding gas oven and has a side door to the garden and garage.

Upstairs are 3 good sized rooms, 2 with built-in cupboards/storage. The bathroom has been fitted with a white 3-piece-suite and benefits from a dual aspect. The landing provides loft access and has an airing cupboard housing a combi-boiler.

No.29 is set nicely back behind a large drive with access to the garage. There is a shingled front garden with shrub

borders. Secure side access leads to the rear garden and a utility area which adjoins the garage. The rear garden measures 16.1m x 11.9m, is mainly paved and shingled for ease of maintenance and bordered with mature shrubs.

Cherry Hinton is a sought-after village, conveniently situated within the City boundary and incredibly well served by a High Street with a range of shops, pubs, restaurants and takeaways, plus sport & leisure facilities. There are two primary schools which feed into Netherhall secondary school.

The area is popular thanks to its easy access to Addenbrooke's, Cambridge Station (2 miles) and the City Centre. Cherry Hinton has excellent bus links and cycle paths into Cambridge, and is also a short distance from the A14/A11 road networks.
