Cambridge, CB23 2RY

Guide price £750,000

19 Comberton Road

Toft, CB23 2RY

- Comberton catchment
- No chain
- Solar panels and feed-in tariff
- Conservatory and study

A 4-bedroom detached family house of about 1,546 sq. ft, with an extended living space, perfect for a family, within the catchment of Comberton Village College, and just 15 minutes from Cambridge.

The house is in excellent condition, but would benefit from some general updating. The accommodation is well planned and has a good-sized living room with a dual aspect, including doors to the garden. The separate dining room has double doors to the conservatory extension, which in turn has access to the garden. The kitchen is a good size and fitted with plenty of cupboards and space for appliances. There is also a useful utility room with a door to the garden. A good-sized study/home office provides good additional space and would also work well as a second sitting room or teenager's space. There is a porch, a hallway and a cloakroom with a WC.

Upstairs, there are four good-sized bedrooms, three are

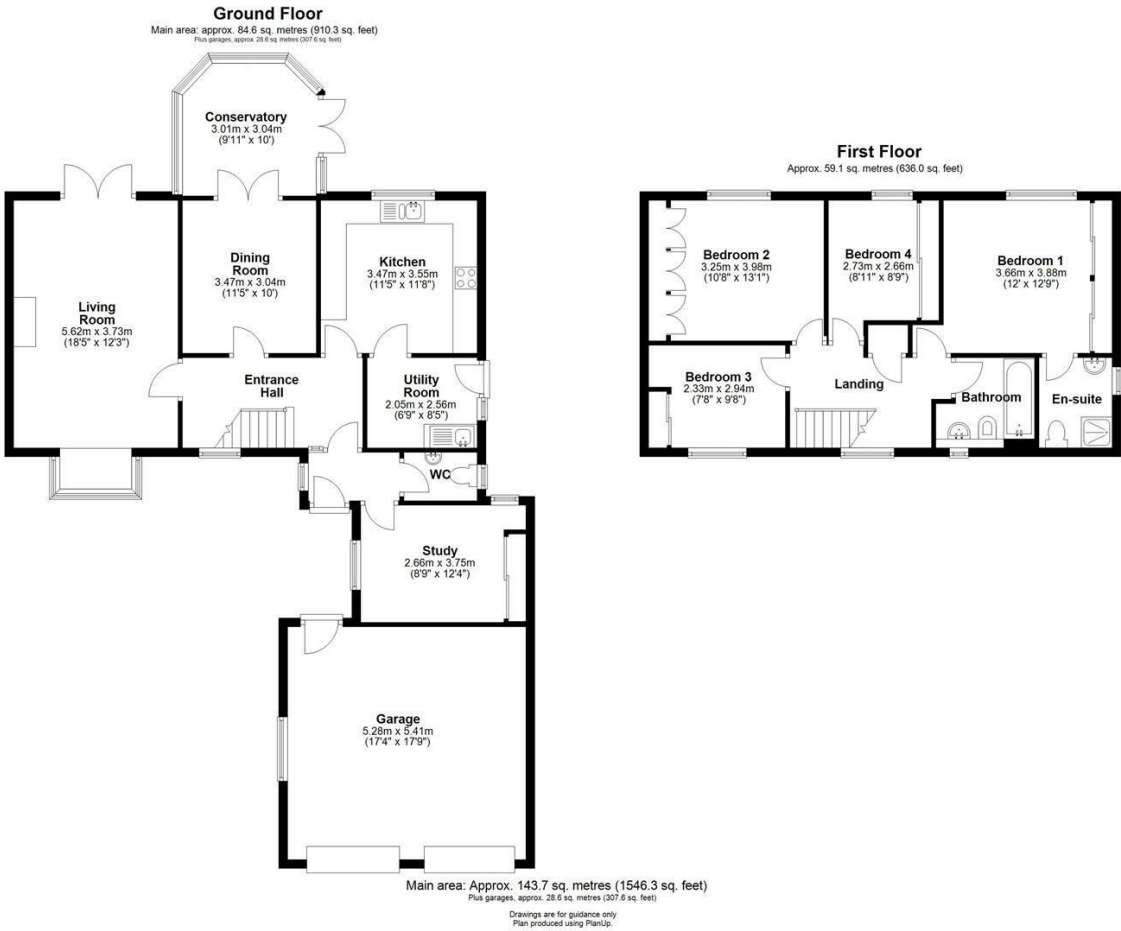

doubles. The main room has an en-suite shower room, and all the bedrooms have fitted wardrobes. The family bathroom has a shower over the bath and full wall and floor tiling.

The house has oil-fired central heating, a water softener, double glazing, and a burglar alarm. There are 12 solar panels, which benefit from a feed-in tariff that generates approximately £1800 p.a.

The house enjoys a prominent non-estate position. At the front, there is driveway parking and access to the attached double garage with twin electric doors. The front garden is lawned, and side access leads to the rear garden, which is about 60ft long and mainly lawned, with a patio adjoining the house. The rear garden is enclosed and has a summerhouse, shed and greenhouse.
