- Planning consent for five dwellings
- Wonderful, semi-rural setting
- 1.4 acre site (STS).

An exciting residential redevelopment opportunity for five individual dwellings, following the conversion of the existing buildings, situated in a fabulous edge-of-village setting.

The site is approximately 1.4 acres and has private access from Caxton Road via a long, sweeping driveway. Formally a commercial site with redundant buildings for conversion, and the creation of an interesting, unique residential scheme of houses with private gardens, communal spaces, and parking.
