A beautifully presented Victorian house of about 1532 sqft, centrally positioned within the village of Cottenham, with landscaped garden and large workshop. This property is offered for sale with no onward chain.

This deceptively spacious house has period features throughout including original fireplaces, high ceilings, original doors, ceiling rose and cornicing. The property is entered via the entrance hall with a beautiful original wooden staircase to the first floor. There are two good sized storage cupboards, one with plumbing for appliances, and a ground floor cloakroom. The impressive 24ft living room has a large sash window to front and original fireplace, which is in working condition. Steps lead down to the extended kitchen/dining room, where a large roof lantern and patio doors provide excellent natural light and direct access to the garden. The kitchen is fitted with ample wall and base units and features an integrated oven, grill and dishwasher. There is a freestanding American style

fridge freezer to remain.

The first floor is arranged around a spacious landing, with the staircase splitting to serve both sides of the house. To the rear is a double bedroom and the family bathroom, fitted with a bath and Aqualisa shower over, vanity wash basin, WC and heated towel rail. There are three further bedrooms, including two generous doubles and a single room currently used as a dressing room. The principal bedroom enjoys an original fireplace and built-in storage.

Outside, the landscaped rear garden is accessed via both the kitchen and a side gate. Predominantly laid to lawn with a generous patio terrace ideal for outdoor entertaining and al fresco dining, it also benefits from a substantial workshop with power and lighting, offering excellent storage or potential as a hobby space. There is unrestricted on street parking available.
