Baytree Cottage, Broad Campden

Chipping Campden, GL55 6US

Offers Based On £600,000

Bay Tree Cottage is a stunning Grade II listed three storey home, set in the wonderful unspoiled village of Broad Campden and packed with all the character you would expect to find in your quintessential Cotswold home, believed to date from the early 18th century.

From the moment you step into the generous living room, the property simply draws you in. Packed with warmth, charm and centuries of character, the house showcases a wonderful collection of period features, including exposed wall and ceiling timbers, traditional latch-and-brace doors and beautiful elm paneling throughout.

At the heart of the living room is a magnificent inglenook fireplace with wood-burning stove, complemented by polished flagstone flooring to one half of the room and traditional elm floorboards to the other. As you explore further, original character blends effortlessly with carefully considered modern improvements, including a fantastic contemporary bathroom suite.

And the charm certainly doesn't stop at the back door. Outside is a beautiful walled cottage garden, wonderfully private and filled with established trees, mature shrubs and colourful planting. A paved sun terrace provides the perfect spot for summer entertaining, while tucked away at the far end of the garden is something rather special — a fabulous thatched stone barn, adding yet another irresistible feature to this truly delightful Cotswold property.

The Location

Broad Campden is one of the Cotswolds' most picturesque and unspoilt villages, surrounded by beautiful rolling countryside and characterised by its honey-coloured stone cottages, peaceful lanes and wonderful rural charm. Despite its tranquil setting, the village lies just a short distance from the historic market town of Chipping Campden, with its excellent shops, pubs, restaurants and everyday amenities. It is a fabulous location for anyone looking to enjoy the very best of Cotswold village life while remaining within easy reach of the wider region..
