ADDITIONAL INFORMATION

By law, we are required to conduct anti-money laundering checks on all potential buyers and sellers, and we take this responsibility very seriously. Welcome to this charming house located at 203 Palatine Road, a delightful residence that offers both comfort and convenience. This property features a spacious reception room, perfect for entertaining guests or enjoying quiet evenings at home. With two well-appointed bedrooms, including a master suite with an ensuite bathroom, Coadjute will securely manage these checks on our behalf. Once approved for modern living (subject to contract), Coadjute will send a secure link for you to complete the anti-money checks. Additionally, there is ample space for family and visitors alike. As you enter, you will be greeted by a large entrance way that adds a touch of elegance and sets the tone for the rest of the home. One of the standout features of this property is the secure gated parking, providing peace of mind and convenience for residents. This house is not just a place to live; it is a sanctuary that combines practicality with style. Please note that these anti-money checks must be completed before we can send the memorandum of sale to the solicitors to confirm the sales.

Situated in a desirable location, this property is ideal for those seeking a comfortable and secure home. Whether you are a first-time buyer or looking to downsize, this house offers a wonderful opportunity to create lasting memories. Do not miss the chance to make this lovely property your own.
