21A-21B Sussex Street, Scarborough

DESCRIPTION

This substantial mixed-use property offers outstanding flexibility, featuring a large ground-floor space ideal for a wide range of business uses, with residential potential across the upper floors. It is perfectly suited for investors, developers, or business owners looking to combine commercial operations with on-site accommodation or future rental income.

The ground floor provides extensive space suitable for workshops, storage, retail, studio use, or a combination of commercial activities. Multiple access points and a practical layout make it adaptable for various business models.

Above, the property includes eight flats offering clear residential potential. These could be refurbished for long-term lets, short-term accommodation, staff housing, or redeveloped to enhance income and appeal (subject to any required consents).

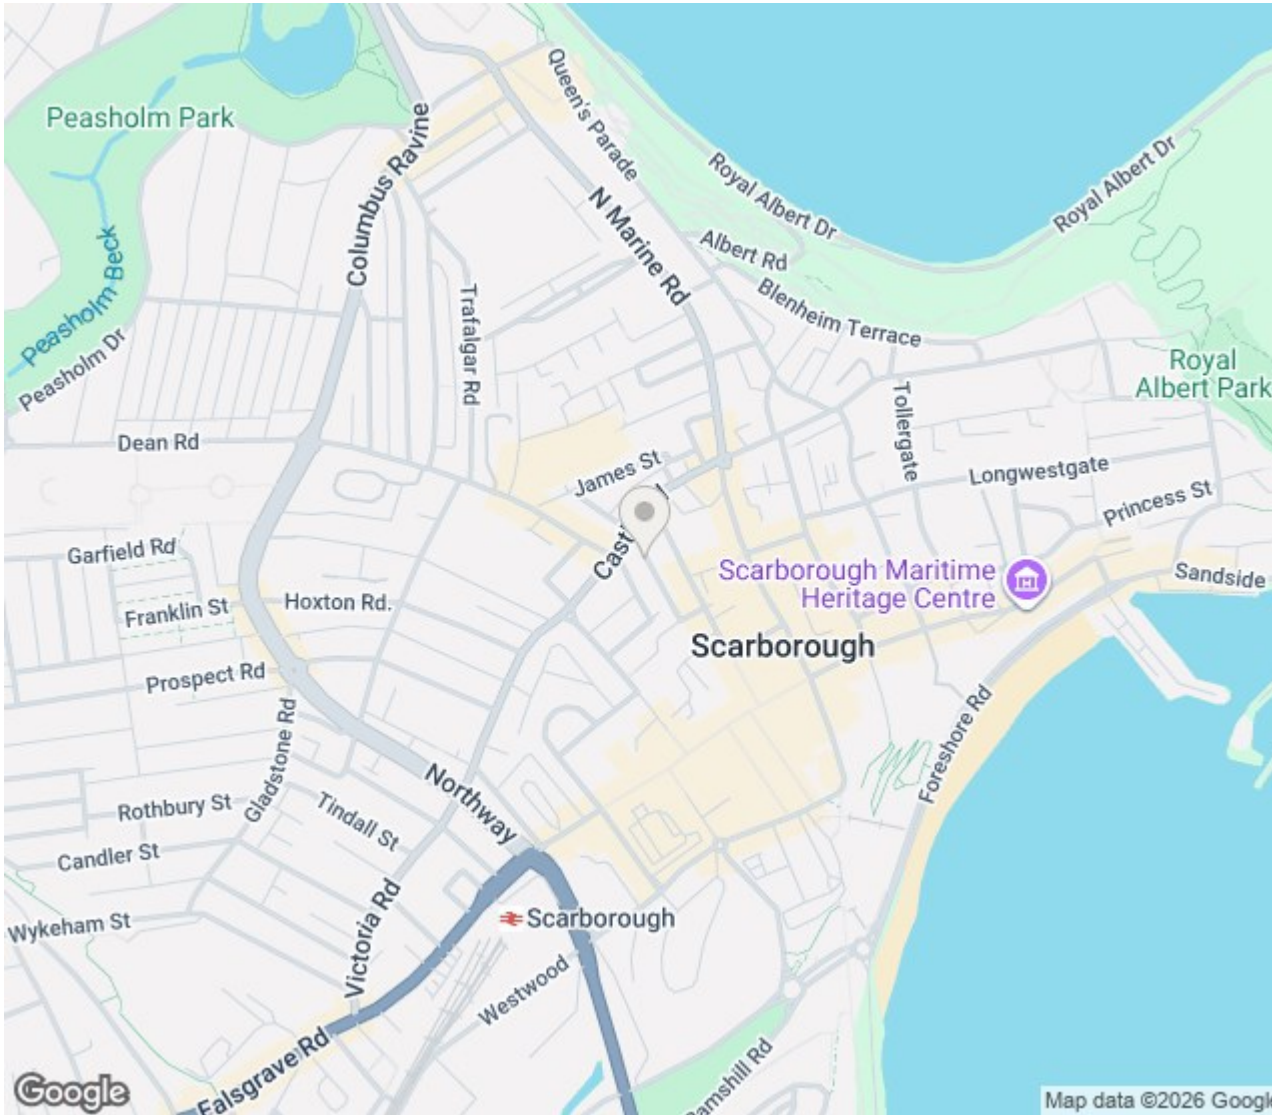

A new roof has also been fitted recently, adding long-term value and reducing immediate maintenance requirements.

With its scale, versatility, and strong mixed-use profile, this building presents an excellent opportunity for those seeking a multi-purpose business premises with desirable residential scope above.
