£390,000

Foxglove Way, Scalby, Scarborough, YO13 0FA

DESCRIPTION

Hunters are delighted to present this exceptional newly built stone property, offering stylish and energy-efficient living within a prime location in the highly desirable village of Scalby. Forming part of an exclusive development of just three homes, this beautifully designed residence combines high-quality finishes with a thoughtfully planned layout and modern sustainable features.

The property benefits from underfloor heating, an air source heat pump, off-street parking and landscaped gardens to both the front and rear.

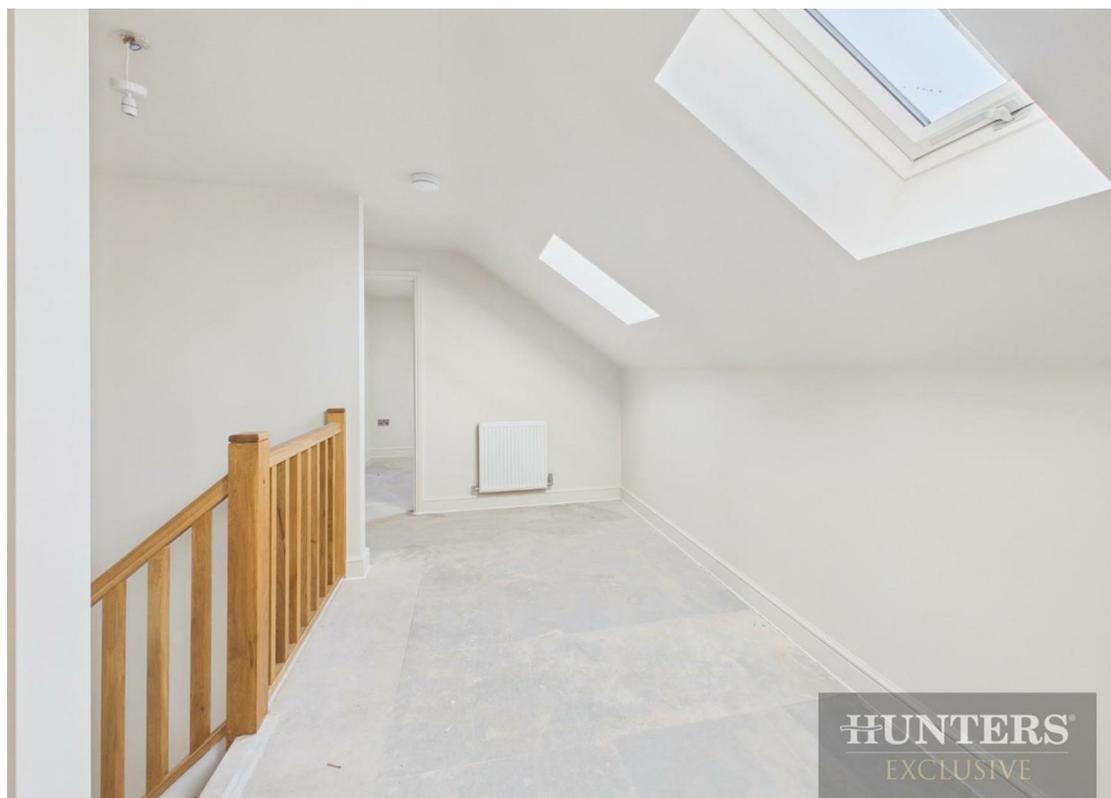

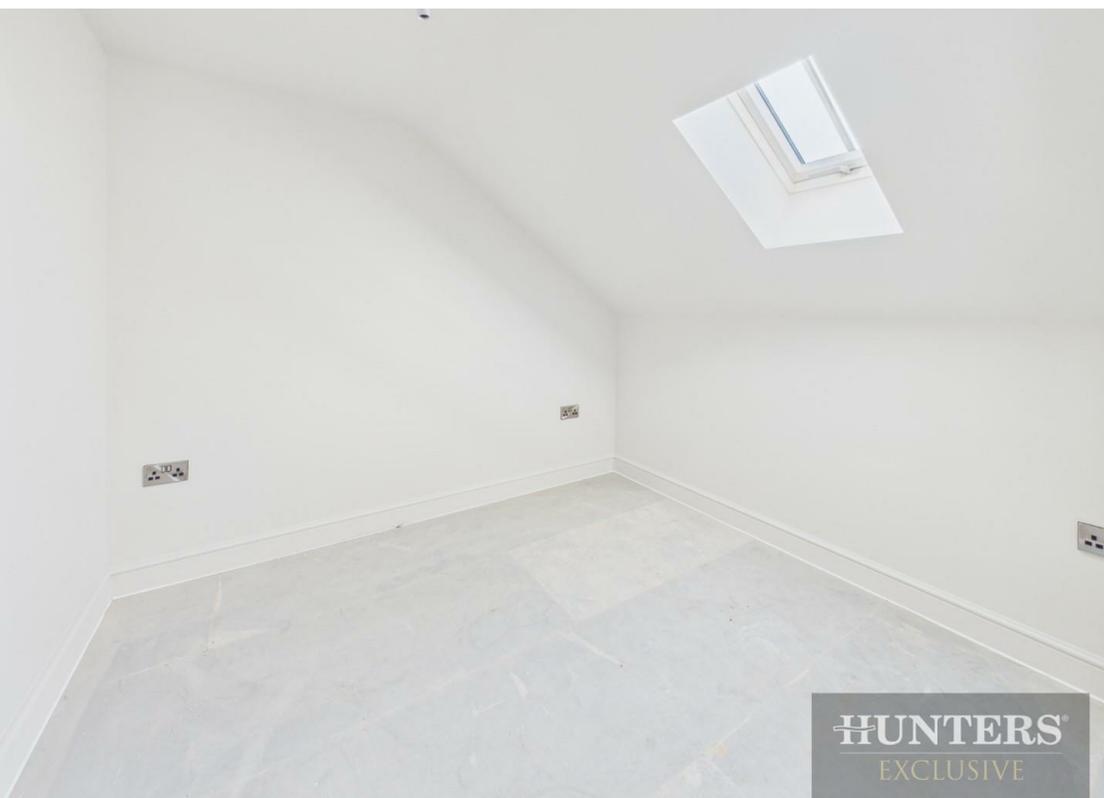

The ground floor opens into a welcoming entrance hall which leads through to a contemporary open-plan kitchen, dining and family space – ideal for modern day living and entertaining. A separate formal living room provides a comfortable space to relax, while a convenient downstairs W.C. completes the ground floor accommodation. To the first floor are three generously proportioned bedrooms, including a main bedroom with en-suite shower room, alongside a stylish family bathroom serving the remaining bedrooms.

Externally, the home enjoys private driveway parking, a well-presented front garden and an enclosed lawned garden to the rear, providing a pleasant outdoor space for families and entertaining.

Scalby Village remains one of Scarborough's most sought-after locations, offering a range of local amenities including popular restaurants, traditional pubs, a village hall and convenient bus routes providing easy access into Scarborough town centre and the surrounding coastline. The property also falls within the catchment area for a number of well-regarded schools.

Early viewing is highly recommended to fully appreciate the quality, space and location this unique new-build home has to offer.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Energy Efficiency Rating		Current	Potential
Very energy efficient - lower running costs			
(92 plus) A			
(81-91) B			
(69-80) C			
(55-68) D			
(39-54) E			
(21-38) F			
(1-20) G			
Not energy efficient - higher running costs			
England & Wales		EU Directive 2002/91/EC	

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.

THINKING OF SELLING? If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice. Even if your home is outside the area covered by our local offices we can arrange a Market Appraisal through our national network of Hunters estate agents.
