DESCRIPTION

Hunters are delighted to bring to the market this very well presented and deceptively spacious two bedroom end-terrace home, located on Beck Mews just off Main Street in the popular village of Cayton. Offering far more space than first appears, the property benefits from an extended ground floor, a garage, workshop and additional storage, along with two allocated parking spaces and a private garden with hot tub. The versatile outside space makes the property particularly appealing for buyers with multiple vehicles, motorbikes, a trade, or those looking for a hobby or workshop area.

The accommodation briefly comprises an entrance porch leading into a modern fitted kitchen, with a useful utility area providing additional storage and practicality. The living room flows through into a bright sun room/dining room extension, creating a spacious and flexible living area ideal for everyday living and entertaining. To the first floor are two well-proportioned bedrooms and a family bathroom.

Externally, the property benefits from gardens to the front and rear, a private seating area with hot tub, along with a workshop, garage and lean-to storage. There are also two private parking spaces, adding further convenience.

Cayton is a well-served village just south of Scarborough, offering a range of everyday amenities including local shops, a primary school, public houses and the popular Farrier restaurant located nearby. The village also benefits from excellent transport links, with easy access to the A64, Seamer train station, and a frequent bus route into Scarborough town centre.

The property is fully double glazed and gas centrally heated via a combi boiler, and would make an ideal first time purchase, family home or investment, being ready to move straight into.
