Additional Information

We have been informed that there is rear vehicular access into the garden where there once stood a garage. Which could be used for off road parking for a car. **These details are subject to confirmation via a solicitor**

There's something rather special about a home that has been loved for 52 years. This lovely terrace house on Conington Avenue has been cherished by its current owners for more than half a century, which in itself says so much about the warmth, comfort and lifestyle this home has to offer.

From the moment you step inside, there's a welcoming feeling to the property, with two generous reception rooms giving the ground floor a lovely sense of space and flexibility. Whether you want a comfortable sitting room, a dining room for family meals or simply somewhere to relax and unwind, there's plenty of room to make the house work around the way you live.

Upstairs, there are three good-sized bedrooms, offering plenty of space for a family, visiting friends or perhaps a home office if needed. The rooms feel practical and comfortable, with the layout giving everyone their own space while retaining that cosy feeling you look for in a home.

The bathroom completes the first floor, while outside there is a garden to the rear, providing a pleasant space to sit out, enjoy the sunshine or simply let the children play. There is also the added benefit of vehicle access to the rear, with the former garage foundations providing an opportunity for off-road parking.

This is a warm, welcoming home with plenty of potential and importantly, a history of being very much loved.
