These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate. If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice. Even if your home is outside the area covered by our local offices we can arrange a

Market Appraisal through our national network of Hunters estate agents.

#### **COUNCIL TAX**

Through enquiry of the West Lindsey District Council we have been advised that the property is in Rating Band 'E'

#### **TENURE - FREEHOLD**

#### **AGENTS NOTE**

The property benefits from solar panels which were installed in 2015 and are owned by the vendors, this generates an income of approximately £660/800 per annum.

#### **BUYER INFORMATION**

Estate agents operating in the UK are required to conduct Anti-Money Laundering (AML) checks in compliance with the regulations set forth by HM Revenue and Customs (HMRC) for all property transactions. It is mandatory for both buyers and sellers to successfully complete these checks before any property transaction can proceed. Our estate agency uses Coadjute's Assured Compliance service to facilitate the AML checks. A fee will be charged for each individual AML check conducted'

PREPARED BY HUNTERS FOR IDENTIFICATION PURPOSES ONLY

| Energy Efficiency Rating                    |                         | Current | Potential |
|---|-------------------------|---------|-----------|
| Very energy efficient - lower running costs |                         |         |           |
| (92 plus) A                                 |                         |         |           |
| (81-91) B                                   |                         |         |           |
| (69-80) C                                   |                         |         |           |
| (55-68) D                                   |                         |         |           |
| (39-54) E                                   |                         |         |           |
| (21-38) F                                   |                         |         |           |
| (1-20) G                                    |                         |         |           |
| Not energy efficient - higher running costs |                         |         |           |
| England & Wales                             | EU Directive 2002/91/EC | 82      | 85        |
