Summary

Superbly located Edwardian town house filled with period features, offering spacious and elegant accommodation close to the city centre.

Situated in a highly desirable central location, with easy access to Ripon's historic city centre, the beautiful Spa Gardens and within the sought-after Ripon Grammar School catchment area, this exceptional late 19th to early 20th century terrace home showcases an abundance of original period features, high ceilings and generous living space.

The welcoming entrance hall retains its stunning original parquet flooring, leading into an impressive lounge with a feature bay window and a striking fireplace housing a living flame effect gas fire. A separate dining/family room flows seamlessly into the modern, well appointed kitchen, complete with double oven, five ring gas hob and integrated dishwasher. To the rear, a useful utility/boot room provides ample space for coats and storage, along with a downstairs shower room and WC.

On the first floor, there are three bedrooms, including a superbly proportioned master bedroom with dual windows — originally two rooms — and a house bathroom. A professionally fitted staircase rises to the second floor, where a versatile loft room is currently used as a fourth bedroom by the present owners. This space benefits from double insulated rafters and the reassurance of a fully fitted battery back up, mains linked smoke detection system throughout the home, complemented by a heat detector in the kitchen.

Externally, the property enjoys enclosed gardens to both front and rear, laid to lawn and gravel, with double gates at the rear providing access to valuable off street parking.

This is a rare opportunity to acquire a traditional home of such character and quality in a prime Ripon location — ideal for families and those seeking a blend of period charm and modern convenience.

Situated in a highly desirable central location, with the beautiful Spa Gardens within walking distance.
