Located in the charming village of Gargrave, tucked away in a secluded position at the end of a driveway, this impressive semi-detached Edwardian house, built in 1910, offers a delightful blend of character and modern living, set in attractive gardens and including a studio / office.

Spanning an impressive 2,217 square feet, with GAS central heating and double glazing, this light and immaculately presented property is superb in every way, perfect for families seeking both space and style. Retaining many original features, such as ornate plasterwork, timber paneling, and high ceilings, this home beautifully marries period charm with contemporary comforts.

A welcoming reception hall leads to a spacious living /drawing room, featuring a large bay window with a pleasant outlook, oak flooring and an Esse wood-burning-stove creating a warm and inviting atmosphere. Plenty of room here for furniture and bookshelves, a classical country house drawing room.

The heart of the home is undoubtedly the living-dining-kitchen, which boasts an Adams Tebb kitchen incorporating Silestone worktops, integrated appliances, a fabulous electric AGA range, and a centre island, making it an ideal space for baking, cooking and entertaining. This area opens up to the landscaped gardens, allowing for seamless indoor-outdoor living. Open-plan to the kitchen area, a super-light living-dining area with full width / length windows and French doors onto the gardens. A delightful summer room and also cosy in winter with its multi-fuel stove.

The thoughtful design extends to a laundry / utility room and a cloakroom, adding to the convenience of daily life.

To the first floor the luxurious principal bedroom is of sizeable proportions and features a bay window with freestanding bath, and a shower and WC to either side. The spacious guest room features wrap-around windows and bedroom 3 has a door out onto a small balcony. A house bathroom services these 2 bedrooms.

On the second floor, a light and airy double bedroom with a Velux and gable end window has an en suite bathroom.

The detached stone-built garage with mezzanine storage, and the cedar-clad studio provide additional versatility, whether for storage, a workshop, or a creative space.

With private parking for up to 4 vehicles and stunning landscaped gardens, this property is not only a home but a sanctuary. We highly recommend an internal inspection to fully appreciate the quality and character this exceptional property has to offer. It is sure to impress all who visit.

All the village amenities including the train station are within a 10 minute walk.
