Entrance Hall

Accessed via a uPVC double-glazed front door beneath a covered entranceway with external lighting, the property opens into a welcoming entrance hall, providing access to the principal accommodation.

Lounge

Positioned to the front of the property, the spacious lounge enjoys a large front-facing window overlooking the garden, allowing an abundance of natural light to fill the room. Offering excellent proportions, there is ample space for a range of lounge furniture, creating a comfortable setting for everyday living and entertaining. The room is decorated in neutral tones with a feature wallpapered wall and is finished with carpeted flooring.

Kitchen

Positioned to the rear of the property, the kitchen is fitted with a range of wood-effect wall and base units complemented by grey laminate work surfaces, providing ample storage and preparation space. A large rear-facing window overlooks the garden, allowing plenty of natural light into the room. The kitchen is finished with practical wood-effect laminate flooring.

The kitchen has previously been reconfigured, with the former doorway to the adjoining dining room having been closed to create additional worktop and storage space. Subject to the necessary consents and a purchaser's own investigations, the layout may offer potential for those wishing to reinstate a more open-plan arrangement.

Dining Room

Situated to the rear of the property, the dining room provides a pleasant space for family dining and everyday living. The room benefits from a useful built-in storage cupboard, offering excellent additional household storage.

Sliding patio doors lead through to a porch area, which enjoys pleasant views over the rear garden and allows an abundance of natural light to flow into the dining room. Finished with neutral carpeting, this additional space provides an ideal spot to sit and enjoy the garden outlook throughout the year.

Principal Bedroom

Situated to the rear of the property, the generously proportioned principal bedroom comfortably accommodates a double bed along with a range of freestanding bedroom furniture. A large rear-facing window fills the room with natural light, while a built-in wardrobe provides excellent storage. The room is finished with neutral carpeting.

The room benefits from a large front-facing window, built-in wardrobe and carpeting, making it equally suitable as a guest bedroom, home office or principal sleeping accommodation.

Family Bathroom

The family bathroom is fitted with a three-piece suite comprising a bath with electric overhead shower, WC and wash hand basin. The room is finished with practical wood-effect laminate flooring, while a rear-facing opaque window allows natural light to fill the room whilst maintaining privacy and ventilation.

While perfectly functional for everyday use, the bathroom offers an excellent opportunity for a purchaser to update and modernise to suit their own taste and style.

Gardens & External

One of the property's most attractive features is its generous corner plot, with gardens extending to the front, both sides and the rear, providing an excellent amount of outdoor space.

The rear garden is predominantly laid to lawn and enclosed by timber fencing, with mature trees beyond the boundary creating an excellent degree of privacy. A paved patio provides an ideal space for outdoor seating and entertaining, while pathways provide easy access around the property.

To the rear of the garden is the detached single garage, fitted with shelving to provide excellent storage for tools, gardening equipment or household items. A driveway to the side of the property provides off-street parking for one vehicle.

The gardens continue around the side of the bungalow, where an additional lawned area bordered by attractive brick edging further enhances the sense of space. Subject to the necessary planning permissions and consents, the generous plot may also offer potential for future extension, making this an exciting opportunity for buyers looking to create their long-term home.
