Guide Price £600,000-£650,000

An exceptional, newly built architect-designed home offering approximately 105m² of stylish, energy-efficient living. This high-specification 3-bedroom, 2-bathroom property features impressive ceiling heights and expansive triple-glazed windows with solar control, creating a bright yet comfortable environment throughout. There is further potential to extend to the side (STPP) to create an additional bedroom and en-suite.

Situated just 0.5 miles from Abbey Wood station and The Elizabeth Line, the property combines tranquillity with outstanding connectivity.

The front garden includes a landscaped pathway with herb planters and a secure bin/parcel store. Inside, a wide aluminium front door opens to a welcoming hallway with polished concrete flooring, underfloor heating, and extensive integrated storage. A contemporary ground-floor wet room complements the space.

The open-plan kitchen/diner showcases exposed timber and steel beams, integrated Bosch appliances, an Elica venting induction hob, and a kettle tap. Sliding doors lead seamlessly to a landscaped garden with a polished concrete patio, lawn, bike storage, and rear access.

A separate lounge with large pocket doors, rooflight, and dimmable lighting provides a flexible living space. Additional ground floor highlights include a utility/storage area with Bosch laundry appliances and heat pump system.

Upstairs, a striking plywood staircase leads to a light-filled landing suitable for a study area. Bedrooms are well-proportioned with bespoke lighting and quality finishes. The main bathroom features a walk-in shower and Japanese soaking bath.

Ideally located near local shops, green spaces including Lesnes Abbey Woods, and excellent transport links, this is a rare opportunity to acquire a thoughtfully designed modern home in a well-connected yet peaceful setting.
