Asking Price £500,000

Hunters are pleased to market this beautifully refurbished three-bedroom terraced house, conveniently positioned on Basildon Road. This newly available home is the complete package for buyers wanting a genuinely move-in-ready home with the transport links to match. From the moment you step through the front door, it's clear this property has been finished to an exceptional standard throughout, blending character with a contemporary, high-end finish that's rare to find.

The showstopper here is undoubtedly the kitchen. A stunning open-plan kitchen diner spans the rear of the property, fitted with integrated appliances, all wrapped around a central peninsula with breakfast bar seating. It's the sort of kitchen that sells a house on its own.

To the front, a generous bay-fronted reception room retains features including an ornate fireplace, offering a cosy, characterful space to relax. Upstairs, two double bedrooms and one single room are served by a beautifully appointed family bathroom finished with the same elegance as the kitchen, continuing the sense of quality throughout the home.

Outside, the rear garden combines green space with a desirable patio area. The garden also benefits from a versatile timber summer house currently set up as a home gym, equally suited to a home office, studio or playroom. At the front of the property, a private driveway provides valuable off-street parking, a real premium in this part of Abbey Wood where kerb space is highly sought after.

Perhaps the standout feature of all, however, is the location. Basildon Road sits within walking distance of Abbey Wood station, home to both the Elizabeth Line and Southeastern services, putting central London firmly within reach. Local shops, cafes, supermarkets and green space, including nearby Lesnes Abbey Woods, are all close at hand too.
