Guide Price £425,000-£450,000

This unique energy efficient three-bedroom home arranged with a split-level layout offers a extensive range of bespoke features. The property has been thoughtfully designed to maximise both comfort and functionality. The entrance hall incorporates shoe storage, providing a practical solution for everyday living, while a conveniently located ground floor WC adds further convenience. The through lounge provides a superb main reception space, ideal for both relaxing and entertaining. this inviting room benefits from direct access to a private balcony, offering an attractive additional seating area. Selected areas of the home have been soundproofed to enhance comfort and privacy. The kitchen/diner has been designed with practicality in mind and offers an excellent range of storage and workspace. Clever integrated features include a plinth vacuum system and a pull-out cabinet ironing board, reflecting the careful attention to detail that is evident throughout the home. In addition there is a separate laundry room, providing valuable utility space. The property is further enhanced by a central vacuum system with multiple vacuum points throughout the house. Triple glazing to most of the property helps to improve insulation and reduce external noise, while solar panels contribute to greater energy efficiency. Elegant glass balustrades introduce a contemporary design element. The family bathroom features a jacuzzi bath that provides the perfect place to relax and unwind. At the rear of the property is a substantial two-storey garage complete with a workbench and hand-wash basin, this highly adaptable space is ideal for secure parking and workshop use. The low maintenance rear garden provides an attractive outdoor setting. In addition to the main accommodation, there is a separate studio room located within the house., this versatile space offers a wide range of potential uses and would be ideal as a home office, or workshop.
