Located in the heart of Southampton City Centre and offering almost 900 sq ft of well-proportioned accommodation, this fantastic ground-floor apartment enjoys partial views towards Southampton Water and boasts a wealth of attractive features, including a Juliet balcony and secure allocated parking.

This distinctive apartment could make an excellent principal residence or a pied-à-terre.

The apartment has been updated within the last five years and is presented with contemporary finishes and a practical, well-planned layout throughout.

At the heart of the home is an impressive living room measuring over 20 ft, with windows allowing plenty of natural light to flow through the space. The modern kitchen is fully fitted and complements the apartment.
