At Hunters Dursley, we use Moverly to facilitate these checks as part of our commitment to compliance and transparency. It is mandatory for both buyers and sellers to complete AML verification before a property transaction can proceed. A fee will be charged for each individual AML check carried out.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate. **THINKING OF SELLING?** If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice.
