21, The Close, Dursley GL11 5EP

An impressive five-bedroom detached home, extensively extended and refurbished in recent years to create over 2,300 sq. ft. of beautifully presented and versatile accommodation. Located in the popular village of Coaley, the property offers generous living space, a double garage, ample parking and a landscaped rear garden.

On entering, there is a generous reception room to the front, currently used as a games room and home office. At the heart of the property is a modern fitted kitchen with integrated appliances and plenty of storage and preparation space.

The bright dual-aspect lounge features a wood-burning stove and leads directly into the impressive conservatory overlooking the garden, complete with reflective glass, air conditioning and fitted blinds.

A separate utility room offers the potential to be converted into a second kitchen. From here, a separate staircase leads to the fifth bedroom above the garage, complete with its own en-suite. Together, these spaces offer excellent potential to create a more self-contained annexe-style area, ideal for an older child, young adult or elderly parents.

The main staircase leads to four further bedrooms, including a generous principal bedroom with en-suite, together with a family bathroom.

Outside, the private driveway provides ample parking and leads to the double garage with internal access. The landscaped rear garden provides an attractive space for entertaining and relaxing, complete with a hot tub.

Further benefits include privately owned solar panels, making this a superb and highly versatile family home in the sought-after village of Coaley.

Coaley is a highly regarded Gloucestershire village, surrounded by attractive countryside and offering an excellent balance of rural living and accessibility. The village has a strong community feel with a local shop, village hall, primary school, church and popular public house.

The nearby market town of Dursley provides a wider range of everyday amenities, including supermarkets, independent shops, cafés, leisure facilities and secondary schooling.

For commuters, Cam & Dursley railway station provides direct services towards Bristol, Gloucester and Cheltenham, with connections to London. The M5 motorway is also within easy reach, providing convenient access to Bristol, Gloucester and the wider motorway network.

The surrounding area offers an abundance of countryside walks and outdoor pursuits, with the Cotswold escarpment and numerous footpaths close by, making Coaley an excellent location for families and those looking to enjoy village life while remaining well connected.
