30 Kingshill Road, Dursley, GL11 4EH

A substantial four-bedroom detached residence, set within a generous plot in a highly regarded area of Dursley, offered to the market with no onward chain.

Occupying an elevated position and set back from the road behind a large, mature front garden, this versatile home enjoys a great degree of privacy and offers spacious, well-balanced accommodation throughout — ideal for family living and those seeking flexible ground floor space.

The property also boasts an impressive rear garden, mainly laid to lawn with established borders, a vegetable patch, and a patio area perfect for outdoor entertaining. To the side, there is an additional section of garden with a large storage shed. A detached double garage with power and lighting is located to the rear, together with a driveway and hardstanding area where cars have previously been parked, offering scope to extend the parking area further if required.

Given the size of the plot and layout, the property also offers excellent potential to extend (subject to any necessary consents).

The ground floor comprises a welcoming entrance hall, a bright and well-proportioned sitting room with a front aspect, and a separate dining room suited to both formal and family dining. The kitchen is fitted with a range of units and leads through to a useful utility room. In addition, the property benefits from a study and a separate office — ideal for working from home, or offering potential for a ground floor bedroom or playroom. A cloakroom/WC completes the downstairs layout.

To the first floor are four generously sized double bedrooms, including Bedroom two which features a large airing cupboard. The modern family bathroom offers a separate shower, and there is ample built-in storage throughout.

While the property would benefit from a degree of modernisation, it presents a fantastic opportunity to acquire a well-proportioned home in a sought-after location, with scope for further improvement and extension, and within reach of Dursl
