A well-presented two-bedroom end-terrace home, offered to the market with no onward chain, providing practical accommodation, off-road parking and a pleasant rear garden.

Internally, the ground floor offers an open-plan kitchen and living area, creating a sociable and versatile living space. The kitchen is fitted with a range of wall and base units and also houses the upgraded boiler. From the living area, a door leads through to a conservatory, providing an additional reception space with direct access onto the garden.

Upstairs are two bedrooms, both benefiting from useful built-in storage, together with a modern shower room fitted with an electric shower.

The rear garden enjoys a relatively private aspect and offers plenty of scope for purchasers looking to create an attractive outdoor entertaining or seating area.

To the front, a driveway provides off-street parking, with a useful storage area and an adjoining lawn offering potential for additional parking, subject to any necessary permissions. Gated side access leads conveniently through to the rear garden.

With its end-terrace position, parking, conservatory, private rear garden and no onward chain, this property would make an excellent first-time purchase, investment or downsizing opportunity.

The property is situated in Cam, a popular and well-established village adjoining the market town of Dursley. The area offers a good range of everyday amenities, including local shops, supermarkets, schools, cafés and leisure facilities, with further services available in nearby Dursley. For commuters, Cam & Dursley railway station provides convenient rail connections towards Gloucester, Bristol and beyond, while the A38 and M5 motorway are also within easy reach, making the location well placed for travel throughout the region.

The surrounding area is particularly attractive for those who enjoy the outdoors, with countryside walks and the Cotswold escarpment nearby, while still benefiting from the convenience of local amenities and transport links.
