HUNTERS[®]
HERE TO GET *you* THERE

This beautifully presented home offers generous proportions rarely found locally, beginning with a stunning, luxury fitted kitchen designed with both style and practicality in mind. Finished to a high specification, it provides extensive storage, ample worktop space and a layout ideal for both everyday living and entertaining.

The property further benefits from a large, contemporary bathroom featuring a full-sized bathtub and separate walk-in shower cubicle, finished with sleek modern fittings. The sense of space continues throughout the flat, complemented by an abundance of cleverly integrated storage solutions.

The real showstopper, however, is the extraordinary private garden extending to approximately 1630 sq ft — a truly remarkable outdoor space and an exceptional rarity for a property in this location. Whether it's summer entertaining, quiet morning coffee, or simply the luxury of outdoor breathing space in N1, this garden transforms the lifestyle offering entirely.

Positioned on the edge of some of North and East London's most vibrant neighbourhoods. This is a location that perfectly balances residential calm with doorstep convenience. You're moments from the cafés, restaurants and independent boutiques of Upper Street in Islington, while the creative energy, nightlife and tech hub scene of Shoreditch is also within easy reach.

A rare combination of scale, finish and outdoor space — this is not your average garden flat.
