DESCRIPTION

Positioned within this quiet cul-de-sac and located close to all the local facilities and amenities of Downend is this impressive, light and spacious ground floor apartment.

Being sold with no onward chain the apartment benefits from views across King George V playing fields and is a short walk from Downend High street and shops.

You enter the building via a communal door with intercom phone entry system, a communal hall then provides lift and stair access to the first and other floors.

The apartment is displayed throughout in excellent condition and has been much improved in recent years to provide spacious accommodation that comprises of a good size open plan entrance hallway, lounge with dual aspect windows, modern fitted kitchen with built in oven and hob, large double bedroom and a modern shower room.

Further benefits include, double glazing, central heating, a communal drying room and communal parking on a first come first served basis to front of block.

In our opinion the property would ideally suit a first time buyer, someone looking to downsize or a buy to let investor.
