Greenways Upper Tockington Road

Tockington, BS32 4LQ

£495,000

In search of a project or a property to put your own stamp on? "Greenways" could be what you are searching for, it is an attractive semi detached character cottage that is located in the heart of Tockington, a picturesque South Gloucestershire village that remains convenient for access to Bristol and the nearby motorway network. The cottage has remained in the ownership of the same family for many years and whilst certain updating has been carried out, it now needs updating and modernising. In our opinion the main standout feature of this property is the extremely generous and mature garden that is without doubt one of the largest that we have seen in a very long time "Pony paddock springs to mind!" Furthermore there is a prefabricated detached garage and ample parking for numerous vehicles. NO CHAIN!
