158 Sewerby Road, Bridlington, YO16 6UP

DESCRIPTION

A truly stunning detached family home, set back from the road and enjoying excellent curb appeal. The property has been lovingly and tastefully updated by the current owners, creating a beautifully presented home that combines generous proportions with stylish modern touches.

Stepping inside, the impressive and spacious entrance hall immediately sets the tone for the rest of the property. The large bay-fronted lounge is a bright and welcoming space, featuring a lovely feature fireplace and neutral décor.

A second reception room provides excellent flexibility and is currently used as an additional living area. With a charming log burner and a single door opening directly onto the rear garden, this room would also make a fantastic dining room or cosy snug.

The kitchen/diner features a modern fitted kitchen overlooking the garden, alongside a separate casual dining area with convenient access to the rear garden. There is also the added benefit of a versatile study, ideal as a home office, hobby room or children's playroom. A downstairs WC completes the ground floor.

Upstairs, the staircase with carpet runner leads to four generously sized bedrooms. There are three excellent double bedrooms and a generous single, providing great space for family life. The rear bedroom enjoys a particularly appealing far-reaching outlook towards the sea. The renovated family bathroom is a standout feature, beautifully finished with a luxurious four-piece suite comprising a freestanding bath, walk-in shower with stylish fluted glass panel, WC and wash hand basin.

Outside, the generously sized rear garden is private and beautifully maintained, with a good-sized lawn, established and colourful flower borders and attractive seating areas, creating the perfect space for relaxing and entertaining. To the front, a driveway provides valuable off-road parking, while the property's position set back from the road enhances its attractive approach. Schedule a viewing today!

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.

THINKING OF SELLING? If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice. Even if your home is outside the area covered by our local offices we can arrange a Market Appraisal through our national network of Hunters estate agents.
