A rare opportunity to acquire a well-established and fully operational Thai restaurant, ideally suited for an owner-operator or experienced restaurateur seeking a turnkey business.

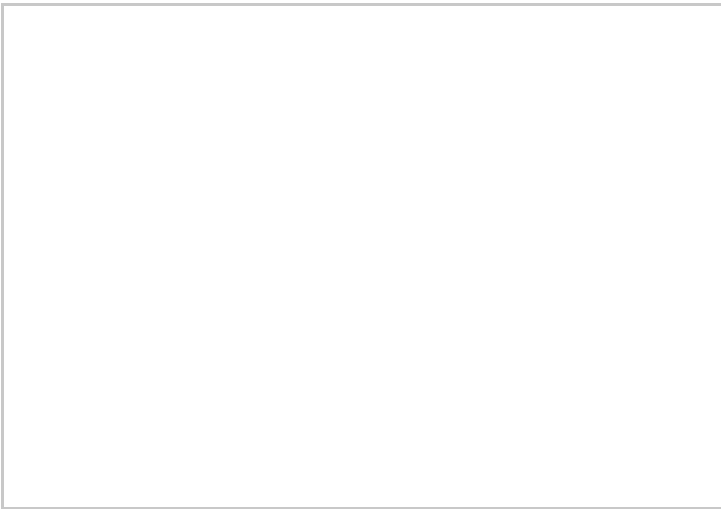

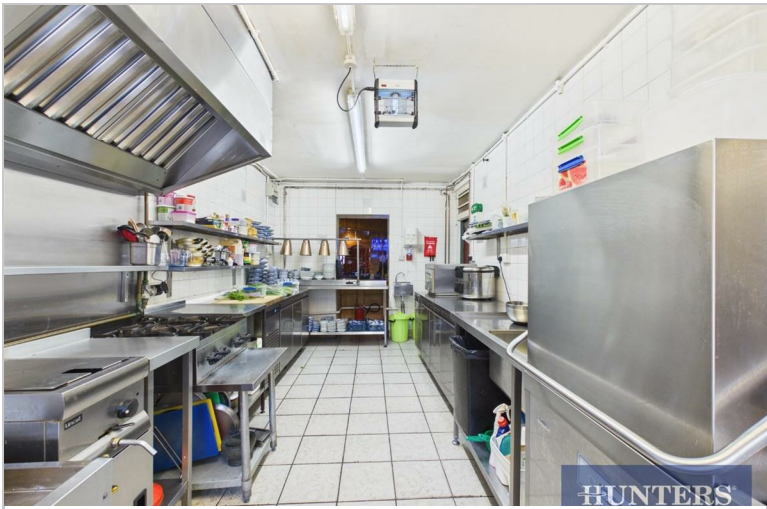

The premises offer a spacious and inviting dining area, comfortably accommodating a large number of covers, creating an excellent atmosphere for both casual dining and special occasions. A dedicated bar area enhances the customer experience and provides additional revenue potential.

To the rear, a fully equipped commercial kitchen is fitted to a high standard, designed for efficient service and capable of supporting a busy operation.

Additional facilities include separate male and female toilets, ensuring convenience for guests.

The property also benefits from two generously sized storage cupboards, offering ample space for stock and supplies, as well as a private rear yard, ideal for waste management, or potential further use.

This is an excellent opportunity to take over a thriving restaurant in a ready-to-trade condition, with all key elements in place for immediate operation.
