89 Cardigan Road, Bridlington, YO15 3JU

DESCRIPTION

A truly impressive and substantial detached Victorian home, this striking residence on Cardigan Road presents a rare opportunity to acquire a character-filled property just a short walk from the beautiful South Beach. An entrance porch opens into a welcoming hallway featuring original details, offering an immediate sense of the space and character found throughout this versatile home.

To the front of the property is a beautiful dual-aspect, bay-fronted lounge flooded with natural light, alongside a further reception room that could serve as a formal dining room, additional living space or playroom. Towards the rear are two additional rooms currently requiring some work, which could also be utilised as further living space or a playroom, presenting exciting potential for a variety of uses.

At the heart of the home lies the expansive kitchen/diner/living space. Recently updated, the fitted white kitchen offers a range of integrated appliances. The adjoining living and dining area provides a superb social hub, ideal for entertaining, with doors opening out onto the rear garden. A separate utility room and downstairs W/C add further practicality.

The first floor hosts four double bedrooms, all offering blank canvases ready to be tailored to individual taste. The family bathroom features a contemporary four-piece suite, including a walk-in shower and freestanding bath, complemented by a separate W/C. To the second floor are three further bedrooms, along with an additional modern bathroom fitted with a three-piece suite.

Externally, the property continues to impress. The rear garden offers a generous lawn alongside a decking area, ideal for outdoor dining and relaxation. To the front, there is off-road parking and a garage.

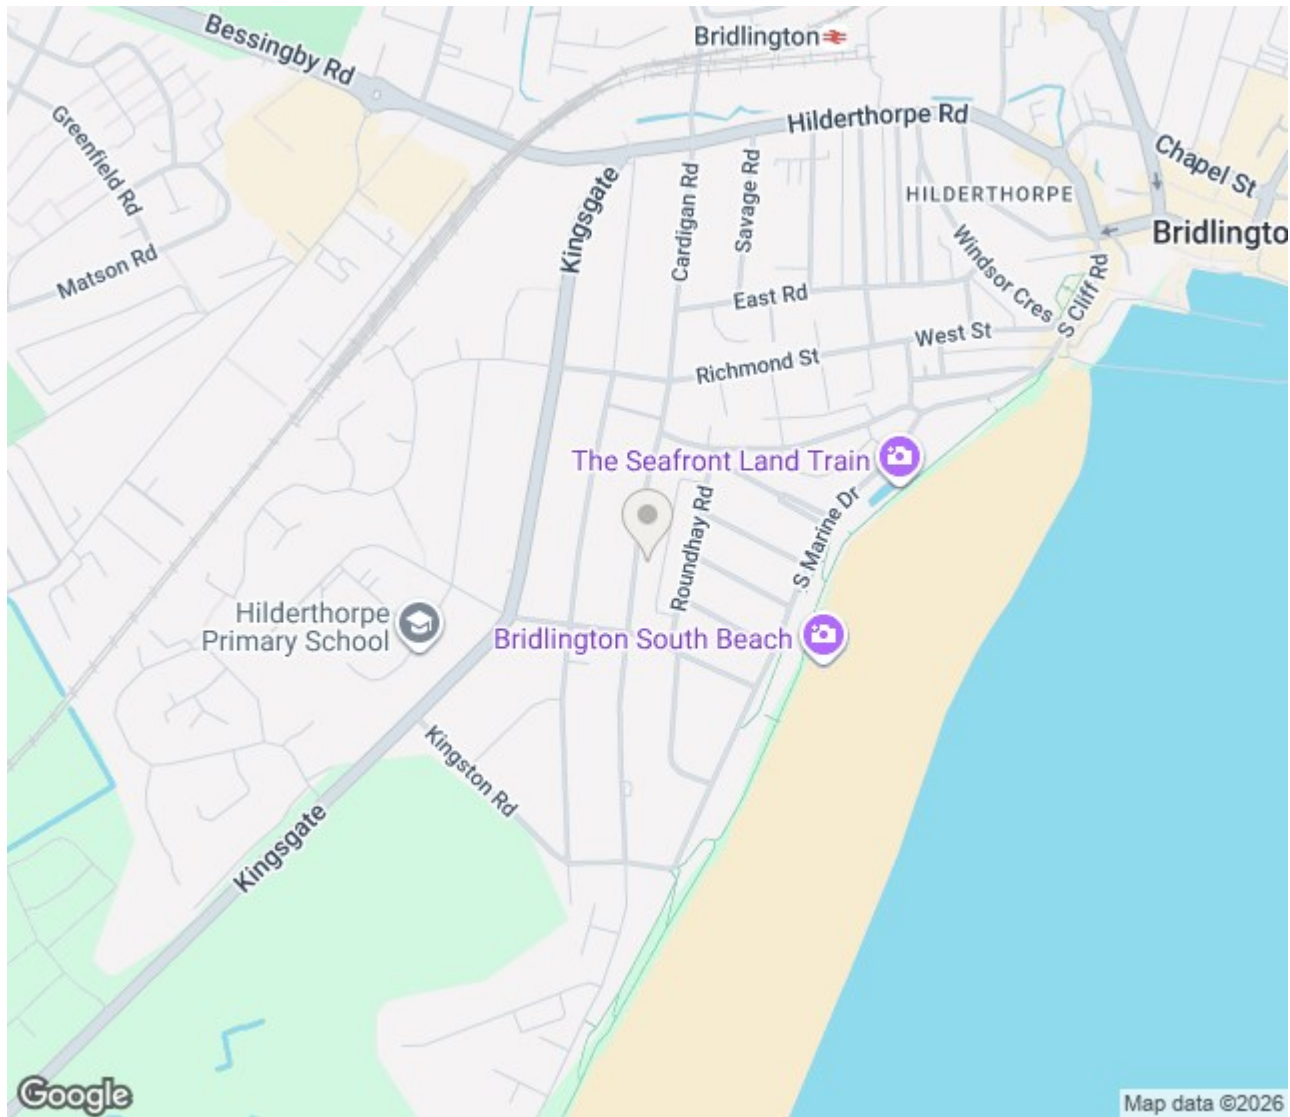

While some areas of the property would benefit from further improvement, significant work has already been undertaken by the current owners, making this an exciting opportunity for buyers seeking a substantial home. Schedule a viewing today!
