DESCRIPTION

Plot 10, Dalton Fields — a premium four-bedroom detached home with single garage by Wold Top Developments, set on a smart new cul-de-sac in sought-after Brandesburton. Designed for modern family life, it combines generous space with refined finishes and energy-saving features.

Step into a welcoming hallway with a handy WC. To the front, a separate lounge offers a calm space to unwind. Across the rear, the showpiece open-plan kitchen/dining/living room is made for everyday family life and entertaining, with broad glazing drawing in natural light and patio doors to the garden for indoor-outdoor living. A practical utility sits just off the kitchen with a window for natural light and ventilation — ideal for laundry and extra storage.

Upstairs, four well-balanced bedrooms give flexibility for families, guests and home working. The principal bedroom enjoys its own en-suite; bedroom two also benefits from a private en-suite, while bedrooms three and four are served by a stylish family bathroom.

Outside, a driveway provides parking and leads to the single garage. The level, enclosed rear garden is a blank canvas for patios, play and planting. Built for comfort and lower running costs, the home includes inline solar panels to offset daytime electricity use, modern insulation and double glazing, plus an on-plot EV charging point to keep your car ready for the week. Premium touches run throughout — from considered layouts to quality kitchen and sanitaryware — delivering the polished finish you expect from Wold Top Developments.
