DESCRIPTION

Suffolk Road, Worcester Park

Stylish, Spacious & Designed Around Modern Family Life

Set on the ever-popular Suffolk Road, this beautifully presented four-bedroom, two-bathroom home delivers an impressive combination of style, space and versatility, with the added benefit of a self-contained annexe creating a home that can evolve with the needs of its next owner.

From the outset, the property makes a strong impression. A broad frontage, attractive landscaping and generous driveway parking give the house real presence, while inside the accommodation has been thoughtfully designed for modern family living.

The living spaces are stylishly finished yet wonderfully practical, with a contemporary feel running throughout. There is plenty of room for both everyday family life and entertaining, while the layout provides the flexibility increasingly sought by buyers who want their home to work harder for them.

Across the property are four well-proportioned bedrooms and two bathrooms, creating excellent accommodation for a growing family without compromising on living space.

The real ace up its sleeve, however, is the annexe. Whether required for an independent teenager, elderly relative, regular guests or simply as a dedicated home office or studio, it adds another dimension to the property. With multi-generational living becoming increasingly desirable, this is the kind of additional space that can completely change how a home is used.

Outside, the garden provides an attractive extension of the living accommodation, offering space for summer entertaining, children to play or simply somewhere to escape with a coffee at the weekend. To the front, the generous driveway ensures parking is equally well catered for.

Suffolk Road is well placed for Worcester Park and Stoneleigh stations, both providing direct rail services into London Waterloo, while local shops, amenities, parks and well-regarded schools are all within easy reach.
