This well-presented upper floor one-bedroom retirement apartment forms part of a purpose-built sheltered development of 39 apartments, designed specifically for the over 55s. Built in 1989, the development offers a comfortable, secure, and sociable living environment tailored to later-life living.

The apartment itself comprises a bright living room, a fitted kitchen enjoying pleasant views over the communal gardens, a shower room with electric shower, and a generously sized double bedroom with built-in wardrobes, providing practical and well-proportioned accommodation throughout.

Beyond the apartment, the development truly comes into its own, offering an enriched lifestyle centred around comfort, independence, and community. Residents can enjoy access to a welcoming communal lounge — a social hub where neighbours come together, fostering a genuine sense of camaraderie and belonging. The beautifully maintained communal gardens provide a tranquil and relaxing outdoor space, ideal for enjoying fresh air or spending time with friends and family.
