Property Description

Upon entering the property, you are welcomed into an entrance vestibule which opens into a spacious central hallway. The hallway provides access to the lounge, dining room, study, cloakroom, utility room and breakfast kitchen, whilst also benefiting from a useful understairs storage cupboard and staircase leading to the first-floor accommodation.

The spacious lounge enjoys views over the rear garden, with double glazed French doors providing direct access outside. A gas flame-effect stove set within an attractive fireplace creates a welcoming focal point to the room. The formal dining room and separate study are both positioned to the front of the property, enjoying pleasant outlooks through front-facing windows.

The breakfast kitchen overlooks the rear garden and is fitted with a comprehensive range of wall and base units complemented by worktops, a sink with mixer tap, an electric range cooker and an integrated dishwasher. Double glazed French doors provide direct access to the garden, making it an ideal space for both everyday family living and entertaining. Adjoining the kitchen is a practical utility room, fitted with matching wall and base units, additional worktop space, a sink with mixer tap and plumbing and space for a washing machine, tumble dryer and fridge freezer.

The cloakroom provides a convenient area for coats and shoes before leading through to a separate WC fitted with a hand wash basin and toilet.

The ground floor offers excellent versatility with three reception rooms, comprising the generous living room, formal dining room and a further reception room currently utilised as a home office. This adaptable space could equally serve as a playroom, snug or hobby room to suit a purchaser's needs.

To the first floor, the spacious landing leads to five well-proportioned bedrooms, three of which benefit from built-in storage. The principal bedroom is complemented by an en-suite shower

room, fitted with a step-in shower cubicle, wash hand basin set within a vanity unit and WC. The family bathroom is generously sized and comprises a freestanding bath, corner shower cubicle, vanity wash hand basin and WC. It also benefits from electric underfloor heating.

Externally, the property enjoys attractive gardens to both the front and rear. To the front, a gravelled driveway provides off-street parking for several vehicles and leads to the detached garage, which benefits from an up-and-over door, power, lighting, a side window and a personal access door from the rear garden. A well-maintained lawn, established flower beds and a paved pathway create an attractive approach to the property.

The enclosed rear garden is predominantly laid to lawn with mature planted borders and established flower beds, complemented by a number of paved seating areas, providing an excellent space for relaxing or entertaining outdoors.
