Offered with no onward chain, this impressive home has been newly renovated to the highest standard throughout and provides an outstanding level of flexible living space across three floors.

The property has been significantly enhanced with a double side and rear extension, alongside a well executed loft conversion, resulting in a beautifully proportioned and highly versatile family home.

On the ground floor, the property opens into a welcoming entrance hall which leads through to a bright and comfortable lounge positioned to the front of the home. There is also a further reception room which offers excellent flexibility and is currently utilised as a home gym. To the rear sits the true heart of the home, an impressive open plan kitchen, dining and family room designed for modern living and entertaining. Double bi-folding doors open directly onto the beautifully presented rear garden, creating a seamless indoor/outdoor feel, perfect for the warmer months. This space is further complemented by a separate utility/storage room, a home office, and a downstairs shower room with WC and wash basin, all adding to the practicality of the layout.

To the first floor, there are four well proportioned bedrooms, including rooms benefiting from their own shower facilities, along with a beautifully refurbished Jack and Jill bathroom completed to a high standard last year. The landing provides a natural flow through the floor and access to all rooms.

The second floor has been created through a loft conversion and provides a superb principal bedroom suite, complete with a spacious bedroom area, walk in wardrobe space and a stylish en-suite bathroom, offering a private and luxurious retreat within the home.

Externally, the property is approached via electric gates, providing both privacy and security and opens onto a generous driveway with off road parking for several vehicles.

The rear garden is a real standout feature, beautifully presented and thoughtfully designed for both relaxation and entertaining. It features high quality artificial grass for easy maintenance, a generous paved seating area ideal for outdoor dining, and a dedicated entertainment space which flows seamlessly from the house. The garden also benefits from a substantial outbuilding currently used as a sitting/games room, complete with its own indoor bar, shower room and kitchen facilities, making it ideal for a variety of uses including a home office, annexe or guest accommodation.
