Located in the popular village of Brimscombe, this 1970s four-bedroom detached family home offers a tranquil setting within a small close of just 3 properties set back from Bourne Lane. The generous frontage provides off-road parking for several cars, with lawned areas bordering the driveway as it leads to two interconnected integral single garages. Inside, the entrance hallway opens to a front dining room enjoying open countryside views, while the adjoining kitchen sits behind it, offering clear potential for knocking through to create a larger open-plan space. To the rear, a welcoming sitting room with an open fire overlooks the veranda and garden, enjoying a leafy green backdrop and winter views across the valley. A ground-floor WC completes the ground floor. Upstairs, the master bedroom benefits from countryside views, with a second double bedroom overlooking the garden. Two further bedrooms and a modern shower room provide comfortable family accommodation. The rear garden is mainly laid to lawn and accessed via the veranda, with mature trees including acers and offering a wonderfully green outlook. Beneath the veranda, a 30-foot-wide garden store/workshop with light and power adds valuable versatility. Viewings are highly recommended.
