Guide Price £360,000 to £370,000

A modern and smart one bedroom apartment with a private balcony in a sought after building with communal gardens and a roof terrace!

Sellers comments - "Squire House is in a fantastic central location, while still having the strong sense of community that makes Camberwell so special. I loved being right in the heart of the area, with so many great cafés, shops and green spaces on the doorstep. Myatts Fields and Ruskin Park were particular favourites. It was also incredibly convenient for work, with a cycle commute of less than 30 minutes."

Internally you are presented with a spacious reception room, with plenty of space to relax and for a small dining table and chairs, with dual aspect windows allowing an abundance of light in to the flat. Leading out onto the private balcony, which makes the perfect spot to enjoy your morning coffee or a glass of wine in the evening. The kitchen is finished in a modern style with handleless wall and base units, complementary worktops and built in appliances. The bedroom, with contemporary painted walls has plenty of space for a double bed and additional furniture and benefits from built in storage and direct access to the balcony. The bathroom has a three piece suite, complete with a shower over the bath, a WC and a sink and has been finished with large wall and floor tiling. The property further benefits from a large walk-in storage room and boasts access to a well-maintained communal roof terrace, affording captivating views of the city, including landmarks such as the Shard and the spire of St Giles Church. There is a second communal garden on the first floor which is perfect for relaxing in the sunshine.

Being in the centre of Camberwell, there are plenty of shops for essential needs, food spots, bars and lounging coffee shops mixed in with the vibrant green space. There are many bus stops offering transport links for all over London. Denmark Hill station is 0.7 miles walk away and has an Overground service with services to London Victoria, Clapham Junction and Dalston Junction. Camberwell is famous for its art scene and the South London Gallery is a 0.7 mile walk away – they also serve delicious brunch in their cafe.
