A ground floor three-bedroom purpose-built apartment - with a private balcony and access to communal gardens!

Sellers comments - "We bought the flat in 2013 and have adored living here. We love the layout - especially the big kitchen and the separate bathrooms - and it is so quiet and private. The flat benefits from access to a large garden which gets very little other use. The other freeholders are very decent people, which makes jointly owning the building pleasant and simple. The location is hard to beat, with Camberwell, Herne Hill and Brixton within an easy walk and central London just 10 minutes away by train from the bottom of the street."

Internally you are presented with a generously sized reception room, with space for relaxation and for dining. The dual aspect windows, light wood flooring and neutral décor create a bright and open space. There is direct access onto your private balcony, perfect for your morning coffee. The modern kitchen has contemporary wall and base units with complimentary worktops, integrated appliances and further benefits from an additional larder cupboard and built in storage. You'll find two good-sized double bedrooms, both with space for a double bed and additional furniture. There is also a third bedroom which is ideal for a guest bedroom, nursery or home office. There is a lovely family bathroom, with a large roll top bath, smart metro wall tiling and slate grey contrasting floor tiles. For additional convenience there is also a shower room, with a large walk-in shower, sink and WC. The property further benefits from access to a large, well-maintained, communal garden area.

The property is just 0.2 miles from Loughborough Station for connections to King Cross and Thameslink Services. Denmark Hill Station is also 0.5 miles away and has the added benefit of the London Overground Services for trains to Victoria, London Bridge and Kings Cross. You are very close to all the amazing independent restaurants, bars and cafes of Herne Hill and Camberwell, such as The Cambria which is a well-regarded pub located just around the corner. Additional delights of the award-winning Ruskin Park are only a 0.2 mile walk away - with its state-of-the-art play areas, paddling pool, café, tennis courts, community gardens, lake and wild nature planting. There's also an excellent choice of schools in the area, both independent and state.
