The reception room is finished with wood flooring, neutral décor and has plenty of natural light. You'll find a separate modern fitted kitchen with cream wall and base units, butchers block worktops, chic wall tiling and contrasting grey floor tiling and an integrated oven and hob. You can also access the garden from the kitchen. There are two bedrooms, both with space for a bed and additional furniture, both bedrooms are carpeted and are finished with neutral décor. There is a modern bathroom with three-piece suite, complete with a shower over the bath, WC and sink with storage, tiled walls and complimentary tiled flooring.

Much of London is commutable on a bicycle, the nearest overground is Loughborough Junction Station, 0.1 miles away, which is on the Thameslink line taking you straight into the City. Brixton underground station, 0.9 miles away, is the nearest tube for the Victoria Line and Coldharbour Lane is well serviced for buses in and out of central London. Denmark Hill station is a pleasant 0.6 mile walk through the park and has services to Victoria and the overground between Clapham and fashionable East London. Coldharbour Lane is an area on the up and a string of new independent cafe's, bars and restaurants. There are several great parks in the area, including the award-winning Ruskin Park, and Nearby Myatt's Fields Park is a restored Victorian park replete with seasonal flower beds, Bandstand and a great café. Brixton itself needs little introduction as one of London's top foodie havens with amazing music venues and boutique shops. Camberwell, famous for its art scene, is also increasingly becoming a food and drink hotspot.
