Guide Price £475,000 to £490,000.

A modern and bright two bedroom apartment with a balcony set in a popular development with well-kept communal gardens and a roof terrace!

Sellers comments - "We've loved living in this flat. It's bright all year round, and the sunsets are gorgeous - the balcony is the best place to be on a sunny summer evening. It's amazing how we're in the centre of Camberwell with it's buzzing restaurants, cafes and pubs, but the flat and balcony are so quiet, calm and secure. "

Internally you are presented with a spacious open-plan reception room, with dual aspect windows offering plenty of natural light. There is space for relaxing and for a dining table and chairs and leads directly out to the private Southwest facing balcony, a great spot to dine al fresco in the warmer months. The modern kitchen area has sleek handleless wall and base units with complementary work tops and built in appliances. The master bedroom is of a generous size, with ample room for a bed and additional furniture and benefits from a built in wardrobe. The second bedroom is perfect for a guest bedroom, home office or nursery and both bedrooms have direct access to the balcony. The smart bathroom has a three piece suite, complete with a shower over the bath, a WC and a sink and has been finished with modern large wall and floor tiles. The property further benefits from secured bicycle storage and access to well-maintained communal gardens and a roof terrace, affording captivating views of the city, including landmarks such as the Shard and the spire of St Giles Church.

Being in the center of Camberwell, there are plenty of shops for essential needs, food spots, bars and lounging coffee shops mixed in with the vibrant green space. There are many bus stops offering transport links for all over London. Denmark Hill station is 0.7 miles walk away and has an Overground service with services to London Victoria, Clapham Junction and Dalston Junction. Camberwell is famous for its art scene and the South London Gallery is a 0.7 mile walk away.
