South Park Crescent, London, SE6 1JS

Guide Price £450,000-£475,000. Three-bedroom 1930s end of terrace house in need of modernisation. Sold Chain Free.

This 1930s house is characterised by its traditional brick façade, distinctive arched entrance porch, and bay-fronted windows, complemented by decorative red tiles hanging at first-floor level.

The ground floor comprises an entrance hall leading to a bay-fronted reception room, a separate rear dining room, and a small kitchen with direct access to the rear garden. The existing layout provides clear potential for reconfiguration to suit contemporary living, subject to the usual consents.

Upstairs, there are three bedrooms: two doubles and one small single, together with a shower room and separate WC.

Externally, the house has front and rear gardens, with the rear garden offering opportunity for landscaping or extension.

The house offers great potential for buyers seeking to create their own family home with the opportunity to refurbish and add value.

Sold Chain Free.
