DESCRIPTION

Hunters are delighted to bring to the market this two bedroom semi-detached house, located in the rural village of Speeton, ideally positioned between the popular coastal towns of Filey and Bridlington. Offered to the market with no onward chain, the property would make an ideal first home for those looking to step onto the property ladder or a fantastic investment opportunity in a peaceful village setting.

The accommodation briefly comprises an entrance hallway leading through to a generous living room, offering plenty of space for both seating and dining areas. To the rear of the property is a modern fitted kitchen with a range of wall and base units and access out towards the rear of the property.

To the first floor there are two well-proportioned bedrooms along with a contemporary family bathroom. The property was originally designed as a three bedroom home but has been thoughtfully reconfigured to create two larger bedrooms, allowing for more spacious accommodation. Should a purchaser wish, the layout could be converted back to a three bedroom property.

Externally, the property benefits from a detached garage, accessed via a driveway with a right of access, providing useful storage or parking. There is also on-street parking available outside the property. The home further benefits from oil central heating, double glazing throughout, and solar panels, which provide the added advantage of generating an income through electricity sold back to the grid.

Speeton is a small coastal village located between Filey and Bridlington, offering a quiet lifestyle with beautiful coastal walks nearby, while still being within easy reach of local amenities, transport links and the stunning Yorkshire coastline.

The property does require some refurbishment so early viewing is recommended to appreciate the potential this home has to offer.
