DESCRIPTION

Hunters are delighted to bring to the market this semi-detached bungalow, ideally positioned in a central Filey location just off West Avenue, placing everyday amenities and the stunning coastline within easy reach.

The accommodation is thoughtfully arranged across one level and comprises a spacious front porch which leads to a hallway providing access through to a comfortable living room positioned to the rear of the property. The kitchen is conveniently located off the main living space and offers a practical layout with worktop and storage space.

There are two bedrooms, offering flexibility for those looking to downsize while still retaining space for visiting family or a home office. The shower room is centrally located and fitted with a three-piece suite.

Externally, the property benefits from a paved front garden for ease of maintenance, while to the rear there is an attractive L-shaped lawned garden offering a generous outdoor space with plenty of potential for seating areas or planting. Gas central heating is installed, and there is street parking available nearby.

Situated in the heart of Filey, the bungalow is within close proximity of shops, doctors, cafés and local amenities, as well as the award-winning Filey beach. Both the bus and train stations are also easily accessible, making this a highly convenient setting.

This property would make a fantastic main residence for those looking to downsize to single-level living, or an ideal second home close to the coast. Early viewing is highly recommended to fully appreciate the location and potential on offer.
