DESCRIPTION

Hunters are delighted to bring to the market this truly unique three-bedroom semi-detached cottage, situated on Main Street in the highly desirable village of Gristhorpe. Positioned within a cul-de-sac setting, the property enjoys access to a thriving village community, including a village hall, local pub, two well-supported churches and convenient bus links. Located near the renowned Wolds Way, the property is perfectly placed to enjoy breath taking walks.

Steeped in history, the oldest part of the property dates back over 400 years and originally served as a cattle barn for the village's first farmstead. Believed to be the oldest continuously occupied building in Gristhorpe, the cottage showcases locally quarried stone from nearby Quarry Fields and original beams salvaged from shipwrecks along Gristhorpe Bay, creating a home rich in character and heritage.

Upon entering, you are welcomed by a spacious entrance hallway featuring a seating area and a traditional witching post beneath the staircase. The cosy living room benefits from a gas log burner, creating a warm and inviting atmosphere. A stone archway leads through to the well-appointed L-shaped kitchen, which flows seamlessly into the dining area. This wonderful space features a charming built-in seating booth positioned beneath a Velux window, flooding the room with natural light, alongside an additional breakfast bar ideal for casual dining. The kitchen itself is fitted with a butler sink, integrated dishwasher, hob and oven, instant boiling water tap and space for a fridge freezer, while also providing access to the rear of the property. The ground floor further benefits from a sauna room, WC and utility cupboard.

To the first floor are three well-proportioned bedrooms. The principal bedroom enjoys a stunning Juliet balcony sourced from Rome, offering beautiful countryside views. The second bedroom benefits from built-in storage, a walk-in wardrobe and loft access. The third double bedroom features an en-suite shower room with an electric shower. Completing the accommodation is a beautifully presented family bathroom, boasting a bespoke vanity unit with two solid wood bowls sourced from Madrid, freestanding bath and a double gas-heated shower. The extensive loft space extends above the bathroom and two bedrooms and can be accessed from both the bathroom and bedroom two.

Externally, the property enjoys a beautifully established and thoughtfully designed garden. Features include a built-in BBQ, separate seating areas, a large decked entertaining space, mature pond with fountain and filtration system, and three storage sheds. A six-person hot tub is also available by separate negotiation.

A particular highlight of the property is the versatile annex building, comprising a substantial workshop/tool shed, a large entertaining space currently utilised as a bar and games area, and a separate WC. In addition, the property benefits from a garage providing excellent storage and parking facilities.

Further benefits include the option for much of the furniture, including televisions, sauna and bar equipment, to be included by separate negotiation.

Combining centuries of history with modern comforts, exceptional entertaining space and a sought-after village location, this remarkable home offers a rare opportunity to acquire one of Gristhorpe's most historic and characterful properties. Early viewing is highly recommended.
