## DESCRIPTION

Hunters are delighted to bring to the market this beautifully presented one-bedroom maisonette, currently operating as a successful holiday let and offering an excellent opportunity for those seeking a ready-made investment.

Situated on John Street in the heart of Filey's town centre, the property enjoys a convenient location within easy reach of the beach, seafront, shops, cafés, restaurants and transport links, making it an ideal base for visitors and residents alike.

The accommodation is arranged over two floors and briefly comprises an entrance hallway on the ground floor with access to a modern shower room featuring a walk-in shower, wash hand basin and WC. There is also useful under-stair space with the potential to install plumbing for a washing machine if required.

To the first floor is a bright and contemporary open-plan kitchen, dining and living space. The modern fitted kitchen benefits from an integrated oven and hob, extractor fan and American-style fridge freezer, while a breakfast bar provides seating for up to three people. The living area enjoys an abundance of natural light through pivot Velux windows with blackout blinds, creating a welcoming space to relax. Also on this floor is a well-proportioned double bedroom with built-in storage.

The property was newly constructed approximately one year ago, with the current owner advising that all relevant planning permissions and approvals were obtained during the build. We have also been advised that a new lease is currently being drawn up, with a peppercorn ground rent and a low annual service charge.

Offered for sale fully furnished and as a going concern, this is an excellent opportunity to continue operating an established holiday let from day one or enjoy as a coastal bolt-hole. Early viewing is highly recommended.
