Hunters are delighted to bring to the market this beautifully presented one bedroom terraced barn conversion, forming part of an attractive gated development and offering a charming blend of traditional character and modern comfort. Offered to the market with no onward chain, this Grade II listed property would make an ideal coastal retreat or peaceful permanent residence.

Internally, the property is full of character with high ceilings and exposed beams throughout, creating a bright and welcoming feel. The accommodation briefly comprises a spacious open plan lounge, kitchen and dining area, providing a sociable living space with plenty of room to relax and entertain. Patio doors from the living area open directly onto the rear garden, allowing plenty of natural light and creating a lovely connection to the outdoor space. The property also benefits from gas central heating.

Externally, the cottage enjoys both front and rear gardens, with the rear garden being particularly generous and featuring a summer house, providing a fantastic outdoor space to enjoy during the warmer months. The property further benefits from off-road parking and a garage, as well as access to beautifully maintained communal gardens within the development.

The property is freehold, with a management fee of approximately £700 per year which contributes towards the upkeep of the communal grounds and shared areas within this well-maintained gated community.
