#### Anti-Money Laundering Checks

In accordance with UK Money Laundering Regulations, we are required to carry out Anti-Money Laundering (AML) and identity checks on all buyers involved in a property transaction. These checks are a legal requirement and are completed through our appointed third-party compliance provider. Once an offer has been accepted, the provider will contact you directly to complete the necessary checks. A fee of £54 including VAT per person is payable for the checks. This fee covers the cost of carrying out the required identity verification and AML checks. Please note that the AML checks must be completed before we can issue a Memorandum of Sale. The fee is payable in advance and is non-refundable once the checks have been completed, including if the purchase does not proceed.
