A striking four-bedroom detached family home boasting many period features, three reception rooms and conservatory, positioned on a generous plot with a rural outlook in the pretty village of Frittenden and within the Cranbrook School catchment area.

Built in 1991 but with a traditional Victorian appearance and many authentic features, the accommodation is stylishly presented to complement its design. It offers an attractive entrance hall leading to a double aspect sitting room with feature fireplace and log burning stove. An adjacent doorway from the hall leads to a study overlooking the front garden. From which, double doors lead to a spacious conservatory providing a superb area for entertaining whilst enjoying views over the garden and beyond, with further doors leading onto the terrace.

The hall also leads on to a double aspect dining room with views over the rear garden, a useful utility room with access to the ground floor WC and a bright double aspect kitchen fitted with a range of traditional style wall and base units, including a Rangemaster range cooker, integrated fridge freezer and dishwasher. French doors lead out to the terrace with covered pergola.

Stairs lead up to the first floor and onto the master bedroom with ensuite shower room, three further bedrooms of generous proportions and the family bathroom with walk in shower, bath, WC and wall mounted sink with vanity unit beneath.

Externally the property is approached by an approximately 100ft gravel driveway with a five bar gate and offers ample parking and turning space with access to the single garage. The garage has a large storage space which has the potential for conversion to an office. A pathway leads to the covered porch. The spacious front garden features a range of mature shrubs and hedging with planted beds and lawn areas and a picket fence with a gate leading through to the rear garden.

To the rear, the garden is a real feature of the home and wraps around the property whilst offering a stunning outlook beyond and capturing the pretty village church to the front. Predominantly laid to lawn, there are a variety of planted beds with established hedgerow borders and a pergola entwined with attractive covering.
