A separate utility room provides additional storage and practicality, with direct access to the outside.

The ground floor further benefits from a convenient cloakroom, while underfloor heating runs throughout, adding a touch of luxury and comfort.

Upstairs, the first floor continues to impress. The principal bedroom enjoys a dual aspect, filling the room with natural light, and is complemented by a stylish en-suite shower room. Three further well-proportioned bedrooms provide flexible accommodation for family living, all served by a modern family bathroom finished to a high standard.

Externally, the property boasts a beautiful and enclosed rear garden, predominantly laid to lawn with a paved patio seating area—ideal for outdoor dining and entertaining. To the front, a driveway provides off-road parking for multiple vehicles and leads to the garage, which benefits from power, lighting, and an electric roller door.
