Lowry Park is located just off the sea front at Seaburn and has been an exceptionally popular development. Offering modern and stylish living in the most convenient of locations, with all of the amenities of the Sunderland coastline just moments away.

The property itself still has the balance of the 10 year NHBC guarantee to run, which offers peace of mind for potential buyers.

Open plan living is the preferred style for recent new builds and this property is a lovely example with the kitchen diner flowing into the living room and outside to the South facing garden.

Elsewhere there is a ground floor cloaks, three bedrooms (master with en suite) and family bathroom.

Off road parking and lawn to the front complete an impressive property and we would advise early viewing.
