This large detached 4-bedroom house is offered for sale in a sought-after residential area of Usworth, Washington, and well-regarded green spaces. The property would benefit from renovation, but offers considerable potential to be modernised into a practical family home, with parking, a single garage and a good-sized garden.

On the ground floor, there are three reception rooms. One reception room provides a dining area leading directly to the kitchen, creating a sociable layout. A further reception room features large windows and a fireplace, while the third reception overlooks the garden, also with a fireplace and a generously sized layout suited to family living or entertaining.

The open-plan kitchen/dining room is a large, practical space with a garden view and dedicated dining area, offering scope for reconfiguration and contemporary upgrades.

Upstairs, the master bedroom benefits from built-in wardrobes. A second double bedroom also includes built-in wardrobes and large windows, allowing for good natural light. The third bedroom is a double with its own en-suite shower room. The fourth bedroom is a single, ideal as a child's room or study. The main family bathroom is spacious, with a large bath. The property also has an office room for added convenience.

Outside, the garden provides a pleasant outlook from the rear reception and kitchen, while off-street parking and a single garage add convenience.

The location offers access to nearby green spaces and a local golf course, appealing to those who enjoy outdoor leisure. Washington Town Centre and its amenities are a short drive away, offering supermarkets, cafés and everyday services.
