FIRST HOMES SCHEME

This property is available through the First Homes scheme, offering a 30% discount from the market value. First Homes are designed to help eligible first-time buyers onto the property ladder, with the discount remaining with the property on future sales.

First Homes is a new scheme designed to help local first time buyers and key workers onto the property ladder, by offering homes at a discount of 30% compared to the market price. The discounts will apply to the homes forever, meaning that generations of new buyers and the local community will continue to benefit every time the property is sold.

National eligibility criteria apply, including:

- Purchasers must be first-time buyers and have a household income not exceeding £80,000 per year
- The post-discount purchase price must not exceed the applicable First Homes price cap
- The property must be the buyer's only home
- A purchaser must use a mortgage or home purchase plan for at least 50% of the purchase price

Bristol City Council local eligibility criteria also apply during the initial marketing period. Purchasers must meet the relevant local eligibility requirements, including the applicable local connection, key worker or Armed Forces criteria.
